

Snow Information

Dear Candidate,

Thank you for booking a First Aid course with St John Ambulance Jersey.

In light of problems in recent years, should it be that we experience snow within the next couple of months, St John Ambulance would like to advise all candidates that First Aid courses will only be cancelled if, on that day, the schools are closed.

Should snow be expected, please visit our Facebook page: www.facebook.com/stjohnambulancejersey and listen to the local radio stations, where updates and information will be provided on your course.

If your course has been cancelled, St John Ambulance will be in contact with you or your employer to offer alternative dates to transfer. Please note, refunds and free transfers will only be given if your course is cancelled by St John Ambulance.

It is the responsibility of the candidate to ensure that they arrange adequate transport to and from the course, if your course does run. If you do not attend a scheduled course, charges will be applied, please see our Terms & Conditions for further details.
